

**Application No.:** 10/789,526  
**Filing Date.:** February 26, 2004

### **Interview Summary**

Applicants thank examiners Janet L. Epps-Smith and Joseph Weitach for the courtesy extended Applicants' representatives Melissa Leuenberger-Fisher and Julie Hopper in the in-person interview held on June 18, 2009. All pending claims were discussed, and the rejection of the claims under 35 U.S.C. § 103(a) as obvious over Shoshan et al. was discussed. Applicants pointed to the unexpected results associated with SEQ ID NO:19, and it was agreed that compounds according to the present invention which comprise SEQ ID NO:19, and antisense compounds consisting of SEQ ID NO:19, would be allowable. However, no agreement was reached with respect to claims 1 and 50.
